

Cristiano Ronaldo's statistics

The following report describes the sports career and commercial successes of Cristiano Ronaldo, reputed by many as one of the most successful soccer players of all time. Data regarding goals and sports awards were collected from Wikipedia, while data on followers and revenues were obtained from Sportico. The data are updated to 2024, except for the ranking of the 100 highest-paid athletes, which captures the situation as of 2023.
